THE BFF TEST: ALL 82 CARDS

One of you reads a card and picks your answer in secret. The other guesses. A miss drops a link: four and the chain has snapped. End on a clasp card, and if the chain held and the guess is right, it clicks. Play it free, with the necklace, at talkdeep.me/bff-test.

FRIEND DUTIES

A friend is sad. I...

- Turn up with food
- Send a long message
- Just sit with them
- Send a meme every hour until it works

When did this last help?

FRIEND DUTIES

A secret with me is...

- Safe, until my face gives it away
- Locked in a vault
- Told to one person
- Forgotten by Friday

Which secret nearly got out?

FRIEND DUTIES

My advice sounds like...

- A story about me
- "do what you want", meaning don't
- The brutal truth
- A question back at you

What's the best advice they've given you?

FRIEND DUTIES

A friend shows me a terrible new haircut. I...

- Tell the truth, gently
- Laugh, then apologize
- Book them a new one
- Say “love it”, lying

Whose haircut was it? Be honest now.

FRIEND DUTIES

Birthdays, from me, are...

- Planned for months
- A card on the day
- Forgotten, then overcompensated
- A text at 11:58pm

Which birthday do you still talk about?

FRIEND DUTIES

My grudges are...

- Dated, filed and ready
- Over by dinner
- “fine”, which they aren’t
- What grudges?

Is there one still running?

FRIEND DUTIES

I’ll definitely be late for...

- Nothing, ever
- My own party
- Everything
- Anything before 10am

What’s the latest they’ve ever been, in minutes?

FRIEND DUTIES

You call me at 3am. I...

- See it at breakfast and panic
- Call back with my shoes already on
- Answer with “who do we need to hide from?”
- Pick up on the first ring

Has that call ever happened?

FRIEND DUTIES

A friend’s new partner is awful. I...

- Say so, once, kindly
- Say nothing and suffer
- Smile at dinner, rant in the car
- Start a file

Has this one happened? Don’t name names. Fine, name names.

FRIEND DUTIES

Lend me something and...

- I’ll swear you never lent it
- It comes back clean
- It comes back eventually
- It lives with me now

What’s still at their place?

THE TWO OF YOU

My job in this friendship is...

- Emergency contact
- Bad influence
- Hype person
- Voice of reason

So what’s the other one’s job?

THE TWO OF YOU

The bad influence here is...

- My friend, no contest
- Both, we take turns
- Neither of us, we’re angels
- Me, no contest

Name the incident that decides it.

THE TWO OF YOU

The worse replier here is...

- Me, sorry
- My friend, always
- As bad as each other
- Neither, we’re great

Check the chat. Who left who waiting?

THE TWO OF YOU

The funny one here is...

- Whoever’s had the least sleep
- Me, obviously
- My friend, annoyingly
- Neither, we only laugh at each other

Each of you, tell your best joke. Settle it.

THE TWO OF YOU

If this friendship were a movie, it’d be...

- A very long soap opera
- A nature documentary
- A comedy
- A buddy cop movie

Who plays you two?

THE TWO OF YOU

Without the other, the one who'd cope worse is...

- My friend, no question
- Both, falling apart in public
- Both, pretending to be fine
- Me, it'd be a disaster

What would go wrong first?

THE TWO OF YOU

When we first met, I thought...

- "I like them"
- "who is this?"
- "I honestly don't remember"
- "this one looks like a lot"

Tell the first-meeting story. Both versions.

THE TWO OF YOU

The one who'd get us thrown out of somewhere is...

- Nobody, it's already happened
- Me
- My friend
- Both, together, laughing

Where? Tell the story.

THE TWO OF YOU

Our most-told story is about...

- Someone we both can't stand
- Something that should stay buried
- A vacation
- A night out

Tell it. In ten seconds. Go.

THE TWO OF YOU

The thing only we find funny is...

- One word nobody else gets
- One old photo
- A person's name
- A look across a room

Say it now. Explain it to nobody.

THE CLASP

On a really bad day, what I need is...

- Space, then a check-in
- Company, no questions asked
- To talk it all through
- A laugh, any laugh

When did you last get this right?

THE CLASP

I feel most looked after when someone...

- Stays for a long catch-up
- Simply turns up
- Remembers the small stuff
- Makes the plan for me

What's the last small thing that meant a lot?

THE CLASP

What I secretly want to hear more often is...

- "I'm proud of you"
- "I miss you"
- "You're so funny"
- "You were right"

Say it now. Out loud.

THE CLASP

I show a friend I love them by...

- Sending them things all day
- Turning up when it counts
- Insulting them warmly
- Actually saying it

When did you last notice it?

THE CLASP

What I hide from most people is...

- How silly I really am
- How tired I am
- How much I care
- How nervous I get

Is there anything else nobody else gets to see?

THE CLASP

If I could keep one thing from this friendship, it's...

- Being able to say anything
- Never needing to explain
- The inside jokes
- The late-night talks

What would you keep?

THE CLASP

I get huge news. The first to hear it is...

- Family, then my best friend
- Nobody, not for a day
- Everyone, all at once
- My best friend, within a minute

What was the last big news you shared?

THE CLASP

This friendship has taught me...

- To worry less
- To say what I mean
- To laugh at myself
- To turn up for people

And what have you learned?
