THE FRIENDSHIP TEST, ON PAPER

Two friends. One finger each. No phones.

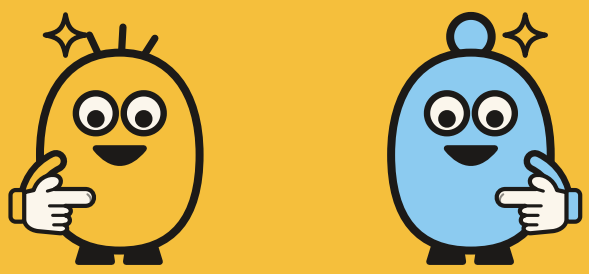

1. Cut out the cards and put them face down.
2. Before you start, each write down one bet: will you settle more than half?
3. Turn a card and read it out. Count to three. Point at yourself or at your friend, at the same moment. There's no "both".
4. Settled, standoff or after you? Keep a count. Say something about every standoff.
5. Save a pink or lime card for the end. The last card can turn the whole night.

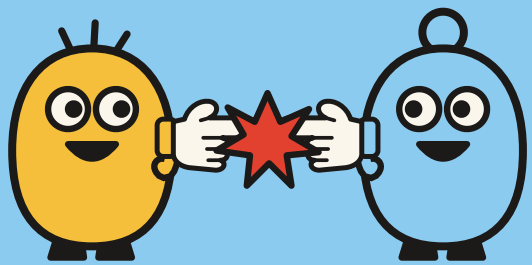

SETTLED
You both point at the same person.

SETTLED
The other way round: same finger, same name.

EACH POINTS AT THEMSELVES
Credit card: a standoff. Blame card: an after you.

EACH POINTS AT THE OTHER
Credit card: an after you. Blame card: a standoff.
