36 First Date *Questions*

From easy openers to a little deeper. Ask one, then really listen.

Easy openers

01 What's your go-to order when you want to treat yourself?
02 What hobby would you pick up if nobody judged you?
03 What were you obsessed with as a kid?
04 What's the best gig or show you've ever been to?
05 What instantly makes you like a person?
06 What does a perfect Sunday look like for you?
07 What's a risk you took that you're glad about?
08 What are you excited about right now?
09 What do people often get wrong about you at first?

Just for fun

10 What's the first thing you do when you get home after a long day?
11 What song always gets you dancing, even badly?
12 What's your favourite way to waste an afternoon?
13 What's a snack you refuse to share with anyone?
14 What film do you know almost every line of?
15 What's the best meal you know how to cook?
16 What's your karaoke song, no matter how it sounds?
17 What's the most useless skill you're proud of?
18 What game were you weirdly good at growing up?

Where you're from

19 What smell instantly takes you back to being a kid?
20 What cartoon from your childhood still lives in your head?
21 What's a food you hated as a kid that you'd now happily fight for?
22 What's a fictional character you related to way too much as a kid?
23 What did you get told off for most at school?
24 Which childhood holiday would you happily go back and do all over again?
25 Where was your favourite hiding spot at home when you were little?
26 What did you once win that you're still unreasonably proud of?
27 What did your family always eat on a Friday night when you were growing up?

A little deeper

28 What's something you're working on in yourself?
29 What's a compliment you received that stuck with you?
30 What's something you've changed your mind about recently?
31 What's the best advice a stranger ever gave you?
32 What's a small decision that changed the direction of your life?
33 What's a place you'd move to tomorrow if nothing was holding you back?
34 What do you daydream about when your mind wanders?
35 What's something you're working towards that most people don't know about?
36 What's a tiny, pointless opinion you'll defend to anyone who'll listen?
